IN APPRECIATION

Near the front of this booklet, you will find the names of the Officers and Advisory Board members who work diligently each year to present the annual Essex Day Festival. Proclamation

ESSEX FESTIVAL DAY
August 17, 1997

WHEREAS, now in its 20th year, the Essex Day Festival has become a tradition in eastern Baltimore County, an annual celebration that Essex residents anticipate with great pride and pleasure; and

WHEREAS, this festival brings residents of the community together for an enjoyable afternoon of special programs and activities including unique arts and crafts, ethnic foods and terrific musical entertainment which delight all those who attend; and

WHEREAS, this annual celebration showcases the Essex community to all residents of the metropolitan Baltimore area and highlights the recreational, cultural and civic opportunities that abound in the Essex community; and

WHEREAS, a focal point for community cooperation, the Essex Day Festival inspires businesses, community groups and private citizens to work together for the common good of the Essex community;

NOW, THEREFORE, I, C.A. Dutch Ruppersberger, as County Executive of Baltimore County, do hereby proclaim August 17, 1997

ESSEX FESTIVAL DAY

in Baltimore County, and I join the Essex Day '97 Committee in urging all citizens and their friends and families to come to the festival for an exciting day of fun and relaxation. Best wishes for a successful event.

In witness whereof, I have hereunto set my hand and caused the Great Seal of Baltimore County to be affixed this seventeenth day of August, in the year one thousand, nine hundred and ninety-seven.

President's Message

Dear Friends of Essex,

It is my utmost pleasure to welcome you to the Essex Day Festival celebration, offering families an opportunity to enjoy themselves in a safe and familiar environment, in its twentieth year.

This is an exciting time for the people living and working in Essex and the surrounding communities in eastern Baltimore County. Our valued residents, natural resources, and economic potential had been long overlooked. Now, through community conservation initiatives spurred by our County Executive, the Honorable C. A. "Dutch" Ruppersberger, there is a new energy focusing on the revitalization of our neighborhoods. Citizens, law enforcement, local businesses and all levels of government are joining together in an unprecedented effort to enhance the quality of life for residents of our historic town.

Projects now in their infancy, such as the Eastern Boulevard Streetscape and the extension of Route 43, will beautify and enhance our community and pave the way for countless opportunities for future economic development, as we move forward into a new millennium.

The Festival Committee hopes this 20th annual festival captures our renewed community spirit and that it will be contagious to all who participate today. We hope that you will enjoy the variety of entertainment, the delicious food that has been prepared and that you will support the vendors, crafters and community organizations that have gathered on our boulevard.

In conclusion, I wish to extend my heartfelt gratitude to the members of the Essex Day Festival Committee, without whom, this community event would not be possible.

Best Regards,

Don Crockett
